Re. - Waiving tools and Plant Charges in respect of the
Construction of the Municipal Quarters at Koppa.

In forwarding herewith a copy of letter No.107 dated 17th August 1948 received from the Executive Engineer, Chikmagalur Division requiring the deposit of a sum of Rs.945/- being the establishment and Tools and Plant Charges at 18% of the sanctioned estimate for the work, I wish to invite kind reference to G.O.No. L.8918-20.Ml.39-47-8 dated 6th September 1947 sanctioning the estimate for Rs.5250/- in respect of the above work and to state that the President, Koppa Minor Municipal Council has already credited a sum of Rs.5250/- under M (a) P.W.Deposits, inclusive of the Government grant of Rs.250/-

Rs 2500/-

The President, Koppa Municipality, who was requested to credit a further sum of Rs.945/- as desired by the Executive Engineer, has reported that the Municipal Council can ill-afford to make a further contribution in respect of the above charges on account of its financial stringency and has requested that the recovery of the tools and Plant charges amounting to Rs.945/- on the sanctioned estimate may be waived as resolved by the Municipal Council on the 30th August 1948.

Though all Municipal Works not being water supply or Drainage works the estimated costs of which exceed Rs.1000/- will have to be executed by the P.W.D. Agency under G.O.No.L.1140-51.Ml.85-39-145 dated 31-7-1940, provision was not made in the sanctioned estimate for Rs.5250/- in regard to the payment of the establishment, tools and plant charges. These charges are now claimed by the Executive Engineer saying that the said charges are recoverable in respect of all such municipal works as are carried out by the Public Works Department.

In the

In the above circumstances, I request you kindly to obtain the early orders of Government waiving the recovery of the establishment, tools and plant charges in respect of the above work.

Yours Faithfully,

Dr. P. Ramaswami
Deputy Commissioner,
Chikmagalur District.

Construction of Municipal Quarters
at Koppa.

With reference to the correspondence ending with your letter No.A3.P.R.456/47-48 dated 8-8-1948 on the subject, I have the honour to state that the President, Municipal Council, Koppa, has credited only a sum of Rs 5,250/- to P.W Deposits as per estimate prepared and got sanctioned by Government wherein provision for Establishment and Tools and Plant Charges at 18% is not included.

If this work had to be taken up by this Department a further sum of Rs 945/- being establishment and Tools and Plant Charges at 18% of the sanctioned estimate, may kindly be got credited by the Municipality to P.W. Deposits for taking further action in the matter. It may be stated that for all municipal works executed by P.W.D 18% Establishment and Tools and Plant Charges are tenable.

Sir,

With reference to your letter No L 6289 dated 9-12-48 and subsequent reminders dated 11-2-49 and 21-4-49 in regard to waiving the tools and plant charges in respect of the construction of the Municipal Quarters at Koppa, I write to state that the reason for not including the establishment, tools and plant charges in the revised estimate in question has not so far been furnished by the Executive Engineer, Chickmagalur. He has also requested in this Office Memo of even number dated 20-10-1948 and by subsequent reminders to take up the execution of the work pending orders of Government in regard to the payment of the Establishment, Tools and Plant Charges, so that the work could be completed before the commencement of the monsoon rains. The work has not been taken up so far.

I have requested him again today to expedite his reply in the matter and I shall make a final report as soon as I hear from him.

Filing

Sir,

Subject - Waiving the tools and Plant charges in
respect of the construction of the Quarters for the
Municipal employees of Koppa.

Adverting to your letter No 6289 dated 9-12-1948 on the
above subject, I write to enclose herewith a copy of letter No.
427 dated 10th/11th May 1949 received from the Executive Engineer
Chikmagalur Division in regard to the point as to why the Estab-
-lishment, Tools and Plant Charges were not included in the
revised estimate for the above work as per standing orders, I have
sent a copy of the review on the Budget of the Koppa Municipality
for 1948-49 with my letter No A3 C.4560/47-48 dated 30th April 1949
as called for in your letter No L 11353 dated 5th April 1949.

Under the circumstances explained in my letter dated 20th
October 1948 early orders of Government may kindly be communi-
-cated to me so that the Executive Engineer, Chikmagalur, might
take up the work.

Yours Faithfully,

Letter No.427 dated 10th/11th May 1949 from the Executive Engineer, Chikmagalur Division, Chikmagalur, to the Deputy Commissioner, Chikmagalur District, Chikmagalur -

Construction of Official Quarters at Koppa.

With reference to your letter No A3 C 4554/47 dated the 28th April 1949 on the subject, I write to state that arrangements are being made to call for tenders for this work and action will be taken to take up the work in the usual course. As the working season is nearing completion this year, the construction work will have to be taken up only early in November 1949 next, after the rainy season is over.

Meanwhile tenders will be called for and further action will be taken to fix up the contract etc, I request you, therefore, to kindly obtain by this time, orders of Government regarding waiving or otherwise of the establishment and tools and plant charges of Rs 945/- yet due from the Municipality on this account, as per the present sanctioned estimate.

I may point out in this connection that the draft estimate originally prepared by the Municipality has been only scrutinised by the Assistant Engineer, Koppa, at the request of the Municipal president. As no establishment and tools and plant charges had been included in this draft estimate, it had been scrutinised as such by the Assistant Engineer, as it was not thought then, that the work would be entrusted to P.W.D.

Subsequently, this estimate while under sanction by Government, has been referred to the Chief Engineer, for Roads and Buildings who has suggested certain alterations in design and hence, an estimate has been prepared, accordingly in his office. Even here, establishment and tools and plant charges are omitted for the same reason. Now that the work has been asked to be taken up by this Department by you, necessary establishment and tools and Plant charges will have to be paid by the Municipality as per rules in force. The estimate is retained in this Office for reference.
